<b>Numeracy</b>	This week in Maths lessons, students will be focusing on Number and Algebra. Lessons will build on their knowledge of terms such as sharing, odd and even numbers and ordering numbers from smallest to largest.
<b>Integrated</b>	We will be looking at how road transport has changed over time. The Preps will be introduced to timelines and look at how vehicles have changed.
<b>Social</b>	This week our focus is 'looking on the bright side' and positive tracking.

# Just a few reminders...

**Hello Everyone,**

Just a reminder that Prep students are not permitted in the classroom before **9am** each day. If parents wish to speak to us then you are free to do so between **8:50am** and **9am**. If you need to speak to us for longer then please feel free to make an appointment at another time so that we are able to give you our full attention 😊

- **If your child has a bag locker inside the classroom, they need to leave their bags in the plastic boxes in the bag locker room until 9am. The boxes are labelled with their names and they can just pick up their bag as we walk into the classroom.**
- **If students are looking for lost property this also needs to be done at 9am as they enter the classroom and not before school.**
- **NAT bags are to be left on the footsteps outside until the students are brought inside by their teachers.**

Thank you for your help with this!

## **100 Days of Prep**

The Preps had so much fun on this special day! We are so proud of how far they have come and can't believe we are over half way through the year already. Well done and happy 100 days 😊.

## **Kids Matter Day – Dress up For Book Week**

This years Kids Matter day is on Friday 25<sup>th</sup> August. As this week is also book week we are making this a book week dress up day too! Start thinking about some of the Preps favourite books and which character they might like to dress as. We have already started making our costumes!!!

## **Costumes for production**

Just a reminder that students will need black leggings and a black long sleeved t-shirt. For the Buddy song students will need to wear summer clothes. The Preps have started learning their songs and are doing an amazing job of learning the accompanying actions! If you have any further questions about production and costumes please come and see us.
