START OF YEAR
Although the children have only been back 6 days, I have had the pleasure of visiting your children in their classrooms and specialist programs. I could not be more pleased with the atmosphere of calm and productive endeavour evident throughout the school. The teachers’ focus has been on embedding class rules, expectations and behaviours. Teachers have also been building strong relationships and establishing a positive environment in each classroom and I have certainly seen that in operation. Our cleaner Al has mentioned how clean the classrooms are, a sure sign of an orderly environment. The corridors have been immaculate.

Speaking of Al, our cleaner, I’d like to thank him and his son-in-law Matt for putting out 5 fires that we were lit on our oval last Friday night. The CFA, the police and the PSO’s from the station arrived in quick succession but by the time they arrived, Al and Matt had pretty much put them out.

It once again reinforces what I have mentioned a number of times, please come along and use our yard out of school hours but have the Belgrave Police phone number (9754 6677) in your mobile if you see activity that might not be desirable. The heavy rain we had last weekend showed a couple of leaks in the roof but apart from that, all has been smooth.

In the playground it is also wonderful to see students who are new to TPS being welcomed into the school and to see all children playing safely and cooperatively (and indeed our Preps doing so well as a part of their transition into the school playground. This great start certainly points to a positive and exciting year ahead for all in the Tecoma Primary School community.

SUPPORTING THE SCHOOL
One of the reasons that many families decide to enrol at Tecoma is the wonderful atmosphere in the school and the sense of community that has developed over the years. This sense of community grows out of the relationships between the school and the parents.
However, we are always looking for parents who are willing to take on various roles within the school which contribute to this sense of community. I would urge all parents to consider what they can do to support the school this year.

There are many ways you can assist:

- Assisting at school as a parent helper for PMP or reading, especially in the new Reading Room
- Assisting in the uniform shop
- Attending Working Bees
- Being part of the School Council
- Helping on excursions and camps
- Joining the Parent Network and assisting with fundraising and school social events.

We are looking for members to join the Parent Network. This year we will have 4 different branches:

- Fundraising which might include events such as Bunnings or election day BBQ’s, bulbs, hot cross buns, giant community raffles, chocolate drive, entertainment books.
- School events which might include events such as Education Week BBQ, UDEC festival, Twilight Sports, Arts Festival.
- Children events which might include events such as Mothers Day stall, Fathers Day stall, movie night, kids disco, footy day and morning munchies.
- Grants Committee: Putting in submissions to various organisations to support programs that we run at our school.

Meetings are generally once a month on a Tuesday, mainly in the afternoon but we may run some in the evening if it might bring about more support. Please think about how you might be able to be involved. It would be wonderful if every family contributed in some way to the school. Please consider what you can to do in 2017.

‘GETTING TO KNOW YOU’ INTERVIEW EVENING

Today a letter is being distributed regarding our ‘Getting To Know You’ Interviews. This will be a great opportunity for families to briefly meet their child/ren’s teachers for a 10 minute interview to let us know any pertinent issues relating to your child and their learning. Teachers will also outline how your child has settled into the routines of the new school year, discuss the attitude and work habits that have been displayed so far and talk about setting goals leading into the new reporting format that will be introduced this year.

There are 3 ways you can make a booking using the access code “cryha”:

   or
2. There is also a direct link on our website…..www.tecomaps.vic.edu.au
   or
3. Through the Tiqbiz App on your smartphone under “whole school”….”interviews.”

BOOKINGS OPEN TOMORROW AT 9am & CLOSE ON Monday 20th February at 9AM.

For quick communication with us, our teachers are available in their classrooms each morning for any informal meetings between 8:50 – 9:00am before commencing instruction. Likewise, both Di Double and I remind everyone of an open invitation to approach us at any time if you have any cares, concerns or compliments.
READING ROOM
All places to help with tutoring the students in our Reading Room are filled which is just wonderful. We are extremely grateful for the support that we get from our community as this program really makes a difference. We had a number of students last year who moved off the program as they are now working at a level which not only helps with their literacy skills but also flows over into other subject areas such as maths and science where the ability to read information and questions is required. Throughout the year, some of our tutors may be away or taking a holiday which means their group may require coverage. If you would like to be an emergency contact for instances such as this, please let Mrs Morgan in the reading room know.

NEW PARENTS/PREP/BUDDIES WELCOME BBQ
It was great to see so many of our new families and buddy families (approximately 230 people) at our “Welcome to School BBQ.” The weather was perfect and it was great to see the children and parents mingling in a very relaxed setting. A massive thank you to our school council, parent network and staff who worked behind the BBQ, serving or provided a salad in welcoming our new families and to all those who attended. We trust this is the beginning of many happy years at Tecoma.

SCHOOL COUNCIL
Our first School Council meeting for 2017 will be held later this month on Tuesday 21st February. This meeting will be the final meeting for the existing School Council and therefore the final meeting for some of our hard working School Council members.

ARRIVAL TIME AND PUNCTUALITY
Student attendance and punctuality: It is certainly a problem statewide (on average a Victorian student misses nearly 3 weeks of school per year) and I know our own local network of schools have spent a great deal of time discussing this issue. At Tecoma we have been trying to address this for many years now and you can see the results highlighted in yellow. It was not so long ago, our children were on average absent more than the state average.

As you can see, we have been well below the state average for a number of years now (I don’t have the state figures for 2016 as yet), 2015 being our worst year where Influenza A and the horrible gastro bug hit our school so badly. We hoped the 2015 figure was a blip on the radar and it proved to be so. However, we would like to get this figure lower. It’s staggering to think that on average, Victorian school children miss 3 weeks of school over a year. Over 13 years, that adds up to 39 weeks or almost a school year. I’m not sure this has been discussed amongst all the
Bottoms on seats are so important so we can engage and maintain the continuums of individualised programs that our teachers offer. Children being away affects them academically, but also socially. Often children have things going on at home that they are dealing with (often it is more the parents having to deal with it) but they are better off being here at school, being kept busy and taking their mind off things with the support of their friends and teachers rather than staying at home. In these instances, I urge parents to send their children to school, let the teacher know that their child might be upset but keep them engaged and busy. Children do have the capacity to compartmentalise their lives and school can be their safe haven.

A reminder: School begins at 9am but our music starts 3 minutes earlier. It is important that students arrive punctually to commence their day at school. Punctuality will assist children to establish positive routines and reduce any anxiety associated with arriving late. Punctuality will also ensure that children do not miss out on the time provided in classrooms for personal organisation, important announcements and the commencement of instruction time.

Perhaps aim for 10 to 9 so your child can be here for the Punctuality award. At various times throughout the school week, you may hear the “eye of the tiger” theme. This signifies our search for a “punctuality star,” a student who has done the “hard yards” and run to class and been on time. If their name is called out from the random draw and they can come across to the office within a minute of their name being announced, they were obviously here on time and will receive a reward of a free lunch order up to the value of $5.

In order to reinforce punctuality and regular school attendance, we will once again be running the Principal’s Attendance BBQ in 2017. These awards are provided to any student who achieves 97% attendance. They receive an invitation to the Principal’s Attendance Barbecue on the final day of each semester. This is the seventh year we have run this reward BBQ and is highly sought after by the children. I’m sure it’s the prestige and not my cooking!

**UNIFORM / SUNSMART**

A big thumbs up to parents. We are very appreciative of your work in setting children up for school, and indeed ensuring students are attired each day in correct uniform. It really makes a difference to students, promoting a ‘sense of belonging’ to both the school and their friends. I also thank Marnie Martin and our staff who have assisted our busy Uniform Shop sales at the beginning of this year.

As a Sunsmart school ([www.sunsmart.com.au](http://www.sunsmart.com.au)) we strictly enforce the use of hats, and I was pleased to see this week that only a few children have been seated in under the walkways due to not having a hat at school.

**STUDENT SAFETY – SUPERVISION**

During the school day, all teachers take their “duty of care” very seriously and work closely together to ensure students are supervised whilst in classrooms and also out in the playgrounds. All teachers wear fluoro vests, carry a small first aid kit and a duty folder where any incidents that occur can be recorded and reported to the school leadership team.

In our planning, we have the school divided into 3 distinct zones and staff are assigned to each of these zones each recess and lunchtime. Before and after school, we have staff on duty at the front gate/carpark area.

To ensure that students are appropriately supervised, we ask that students arrive at school after 8:45am each morning. If you elect to send your child/ren to school prior to 8:45am, it is important that you understand that they will not be supervised until yard duty teachers begin their assigned duty from 8:45am.
Similarly, at the end of the school day, the school will ensure the appropriate supervision of all students until 3:45pm and after this time it is the responsibility of parents to collect/supervise their children. In further support of parents on this important matter, Chris, Adelle and Bridget at our before and after school care programs provide wonderful levels of care for students.

**MOBILE PHONES**
A reminder that students are to hand mobile phones in at the office or to their class teacher prior to classes commencing and collect them at the end of the day.

**SCHOOL PHOTOS**
School photos are scheduled for Monday March 20th. To look our best and show pride in our school, as in all other days, students must wear their full school uniform for school photos.

**GRADE 6 BOMBER JACKET and BADGE PRESENTATIONS**
This Monday at assembly, we will be presenting the 2017 Leadership Badges and Bomber Jackets to our grade 6 children. It is a memorable moment for the children and signifies them reaching the top end of their primary school journey. All parents are welcome to attend.

**CYBERSAFETY**
Tuesday was Safer Internet Day. The notion of this day is to encourage children and young people to be safer and more responsible when using technology and mobile phones. This year's theme is 'let's create a better internet'. Just like other forms of bullying, we are trying hard to empower by standers to reduce the number of incidents taking place.

Bullying used to be something you could see or hear: face-to-face physical and verbal behaviour in the playground, classroom and on the way to and from school. Now, online technology and constant connectivity means children can be bullied through often anonymous contact or actions, anytime, anywhere, and often out of sight of adult eyes.

Cyberbullying most commonly occurs through:

- comments posted in an open online environment, for example on social media sites, and
- direct text, email or instant messages online or on a mobile phone.

Friends and family can play an important role in helping reduce the spread and impact of cyberbullying because cyberbullies may back down when they see that their target has support. Here are some simple steps you can encourage your child to take if they see or know that a friend is being cyberbullied.

- **Don’t forward messages or pictures.** Though they may not have started it, they will become a part of the cyberbullying cycle.
- **Stand up and speak out** against cyberbullying. Encourage the child to tell the bully that their comments or actions are hurtful and that they should stop.
- **Talk to someone they trust** like parents or a teacher.
- **Support your child’s friend** by reporting the cyberbullying. Most websites have online help centres and reporting facilities, and online abuse is in violation of the Terms Of Use of most social networking sites.

If your child or someone you care about has been affected by cyberbullying, contact the Cybersmart Online Helpline (www.cybersmart.gov.au/report.aspx) or Kids Helpline on 1800 55 1800.
NO ASSEMBLY THIS WEEK
Due to our assembly on Wednesday last week, we didn’t have an assembly on Monday. As mentioned earlier, we will have an assembly this week where we will hand out our grade 6 Leadership Badges and Bomber Jackets.
Please note, weather permitting (both hot or cold), we will attempt to run our assemblies on the top basketball court to enable gymnastics to be set up in the hall. This will occur for the next four weeks.

See you around the school.
Rohan Thompson
Principal
Dear Parents
Parent/Teacher interviews will be held on

Monday February 20th 2016
Bookings Open Friday 11th February 9.00am
All interviews are of 10 minutes duration.

Now you can book school interviews for the times that suit your family.
Go to www.schoolinterviews.com.au and follow these simple instructions
We also have the link on our school website www.tecomaps.vic.edu.au

We also have the link in TIQBIZ under ‘Whole School’

Simply enter the code and press “Go”

1. Enter your details

2. Select the teachers you wish to see

3. Select the appointment times that suit your family best

When you click FINISH, your interview timetable will be emailed to you automatically. If you do not receive your email immediately – Please check your junk mail folder and make sure your email address has been entered in correctly.

You can return to www.schoolinterviews.com.au at any time and change your interview – until the bookings close on Monday 20th February at 9am.

You may change your bookings any time prior to the closing date, by re-visiting the www.schoolinterviews.com.au website and using the event code. Remember to use the same name and email address you used when you made your original booking. Parents wishing to change their interview times after the closing date should contact the school directly on: 9754-2354

We would love to hear what you think about online booking. If you get time, click on the “contact us” button on the www.schoolinterviews.com.au website and leave some feedback - anonymously if you wish, but please include the school’s name and suburb.
“Tell me about your child” Parent/teacher meetings

Monday 20th February
Please keep the afternoon and evening of Monday 20th February free, so that you can meet/catch up with your child's classroom teacher.

Did you know that the whole school focus at Tecoma for this term is ‘Identity’? School is a big part of your child’s life...they do spend 6 ½ hours here each day...building strong relationships with their teachers, their classmates and other members of the Tecoma community.

Parent teacher meetings give you an opportunity to build a relationship with your child’s teacher and a chance to chat with your child’s teacher about your child. You know your child better than anyone and any information and insight that you can share with their teacher about them is greatly appreciated.

Showing your child that there is a strong link between your home and the school and that you are part of the relationship they have with their teacher at school is vitally important so please make sure you take the opportunity to show your child how important they are.

Classroom Helpers
It is great to here that there are already a number of parents who are listening to children reading in the classroom each morning. Thank you to all of you.
Please, please, PLEASE, if you have a spare 15 minutes at 9:00am of a morning go and see your child’s teacher and join in.

Very soon, you will receive information about our upcoming Classroom Helper sessions for this year...so keep an eye out for that information.

Restorative Practices
Restorative Practices is something you will hear a lot about here at Tecoma PS.

Below is some information about Restorative Practices and about Circle Time – which is an integral part of the Restorative Practices approach here.

At Tecoma Primary School we use Restorative Practices when there has been a problem that needs resolving. It allows discussion in a way that allows everyone to contribute and be valued.

As part of our Restorative Practices approach all children take part in ‘Circle Time’.
When holding the talking piece (or when it is your turn) you must:

- speak honestly and from the heart.
- speak with respect for others.
- try not to speak at length.
- speak to the issues of the circle.

(The circle format and use of a talking piece is an ancient form of communication for spiritual, political and communal life and is found throughout world traditions).

Restorative Practice sees misconduct not necessarily as rule breaking, but as violation against people and relationships.
Restorative Practices focuses on modifying behaviours that undermine positive relationships.
Restorative Language
- What were you thinking?
- How did you feel?
- Who do you think was affected?
- How do you think they were affected?
- How can you repair the harm?

What does Restorative Practices/Conferencing hope to achieve?
- All who participate have a sense of fairness and justice.
- The student gains a greater insight into the impact of behaviours on others.
- A healing of the hurt and a repairing of damaged relationships.
- A student remains a member of the school community which continues to offer support and a sense of belonging.
- A sense of community is heightened when students, teachers and parents are equally valued as participants.

Have a lovely week.
Regards

Di Double

Quote of the week:
“If the philosophy of Restorative Practices such as conferencing, were to underpin all our disciplinary dealings with young people in classrooms and playgrounds, our schools would go some way to building social capital and a sense of belonging in an emotionally healthy community.” (Cameron 2001)

UNIFORM SHOP
Please note that the Uniform Shop is open on the following days:

- **Tuesday Morning** 8:45am to 9:15am
- **Wednesday Afternoon** 3:15pm to 3:45pm

OFFICE NEWS

Just a few items for your attention:

- Term 1 Levies will be going out over the next few days. Here are the costs:
  
  Prep $15  
  Grades 1/2 $25  
  Grades 3/4 $25  
  Grade 5 $25  
  Grade 6 $20

- We are excited to announce that our new payment app, Qkr! is up and running. You are now able to pay for your levies, swimming, etc., through the app. For information on how to download the Qkr!, please read the flyer in this newsletter.

- Thank you to all of our parents that have paid their Essential Items. Unfortunately, we are still missing a few. Please pop into the office next week to make payment. If you are having financial difficulty please see Karin, Heather or Anthea in the office to set up a payment plan.

- If you have changed your mobile contact numbers, please make sure that you let the office know.

Have a lovely weekend,

Karin, Heather & Anthea
The Office Gals

LIBRARY NEWS

Redgum Book Club will be coming home tomorrow and orders need to be placed online by 27th February. Delivery is around the 13th March. More information next week…

For quicker, hassle-free school payments, try Qkr! today

Introducing Qkr! (pronounced ‘quicker’) by MasterCard, the secure and easy way to order and pay for school items from your phone at a time and place that suits you.

With Qkr you can:
- Pay for school fees, uniforms, excursions and more;
- See your receipts on the app and get them sent by email if required.

Getting started is easy - try it yourself today

Step 1 Download Qkr!
on your Android phone or iPhone. iPad users can download iPhone app

Step 2 Register
Select your Country of Residence as ‘Australia’ and follow the steps to register

Step 3 Find our school
Our school will appear in ‘Nearby Locations’ if you’re within 10km’s of the school, or search for our school by name.

Step 4 Register your children
When first accessing our school, you will be prompted to add a student profile for your child. This allows you to make orders and payments for them.
Are you Eligible to Claim the Camps, Sports and Excursions Fund?
Applications forms are available at the office. Please present your Concession Card with your form before February 29th, 2016.

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS
Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government’s commitment to breaking the link between a student’s background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)
School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:
- $125 for primary school students
- $225 for secondary school students.

HOW TO APPLY
Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

MORE INFORMATION
For the CSEF application closing dates and more information about the fund visit www.education.vic.gov.au/csef
