TECOMA PRIMARY SCHOOL

VOLUNTARY CONTRIBUTIONS

PARENT/GUARDIAN CONTRIBUTIONS 2027

Dear Parent/Guardian,

Tecoma Primary School is looking forward to another fantastic year of teaching and learning and would like to advise you of Tecoma's voluntary financial contributions for 2027.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that **all contributions are voluntary**.

Keeping in mind the current state government's parent payment policy, to continue the provision of our high standard of education, along with facilities, maintenance, and well-being services for our students, we request your support in making voluntary contributions.

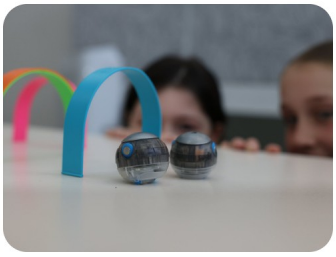

Within our school, voluntary financial contributions have allowed us to:

- Purchase the very best literacy/library and numeracy resources for students, including new reading materials and more hands-on maths resources, digital learning and learning materials.
- Continue keeping our library collection well resourced.
- Ensure that all children have access to IT devices as needed and that our teaching staff have access to interactive whiteboards to enhance the engagement and learning of our students.

Our 2026 contributions helped us purchase: New Ozobots, microscopes and iPads to complement our Street Science Program, and class sets of novels and picture story books to ensure high-quality literature across all levels.

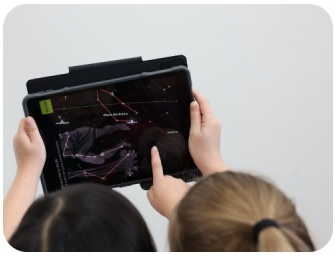

Novel Study Class Sets

Ozobot Coding Robots

New Microscopes

New iPads for Science

With all families in mind, School Council has strived to keep 2027 costs to a minimum, as per our parent payment policy guidelines. We wish to assure you that we practice due diligence in all purchases made, accessing best value programmes/supplies through specialist providers.

Thank you for helping us make Tecoma Primary School the best it can possibly be. Your efforts made throughout the school year, whether that's through fundraising or volunteering your time, make a huge difference to our school and the programs we can offer our students.

Please refer to our website for an overview of the Parent Payments Policy.

Sincerely,

Katrina Ellis

PARENT CONTRIBUTIONS 2027

Dear Parents/Guardian

This letter provides information about voluntary contributions you can make to support TECOMA PRIMARY SCHOOL for 2027 and other payments you can choose to make.

Victorian government schools provide free instruction. This means all students have free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability.

Some families choose to make a voluntary financial contribution to support the school, and we are very grateful for this support. Making a voluntary contribution is your choice. There is no expectation or pressure for families to contribute, but we would really appreciate as much support as possible.

Tecoma Primary School offers a range of items and activities that are additional to the free instruction provided to all students at our school. Financial help is available for extra-curricular items and activities if you are experiencing financial hardship (see further details under Financial Help for Families in the attached information). For a confidential discussion about how to access the financial help available, please contact:

Karin Hartnell **9754-2354** (Business Manager)

If you need an interpreter, please contact 03 9605 3053 and give our school's phone number **039754-2354**. An interpreter can help you speak with us. This service is free. For more information, please see How to use an interpreter to contact your school.

FAMILIES CAN CHOOSE TO CONTRIBUTE

Schools can invite 2 types of voluntary contributions:

Voluntary contributions	Tax deductible contributions
Used towards enhanced educational programs and school environment, and additional resources and opportunities offered by schools	Used towards building and/or library fund (for those schools who have such funds)

Schools must advise the carers of students in out-of-home care and parents and carers who hold a financially means-tested card (such as a healthcare card) that the invitation to make voluntary contributions does not apply to them.

In addition, schools can invite parents and carers to pay for optional:

- Extra-curricular items and activities that go beyond the curriculum - for example, school photos, some excursions and some camps.
- Learning materials for students to individually use and own - for example, textbooks, stationery, and in secondary schools only, digital devices. If these items are not bought or provided from home, schools must provide students with free access to what they need for curriculum delivery.

FINANCIAL HELP FOR FAMILIES

Each school has a contact person who can discuss with parents and carers the financial supports that are available.

Schools must publish their Parent Contributions arrangements on their school website, along with a link the department's Parent Contributions policy.
