

Step into Prep

Transition sessions for our 2027 Preps

We cannot wait to welcome you and your child to our school community! Step into Prep is our Term 4 transition program: a series of relaxed, hands-on sessions in the real Prep classrooms with our Foundation teachers, so day one of 2027 feels comfortable and familiar. Children make friends, meet their Grade 5 buddies and find their way around the school, while parents and carers are warmly invited to stay, ask questions and get to know other new families.
