

Ice Cream Match-Up

Teacher Directions:

Invite students to color and cut out the ice cream cone cards. Then encourage students to find a partner and use the cards to play a fun matching game!

Student Directions:

1. Mix up the cards and turn them facedown in a grid.
2. Take turns flipping over two cards at a time and try to match up a number with the same amount of dots. If the cards match, you can keep them. If not, turn them back over.
3. The player with the most cards at the end of the game wins!
