Notices...

Scienceworks Excursion

The Preps will be going on their excursion to Scienceworks this Wednesday! Thank you to all parents who have offered their time to come along for the day! Notices were sent home with families who have volunteered to confirm your place on the excursion.

We need all students at school by 7:45am on Wednesday, as the bus departs at 8:00am.

Please pack the following items for your child in a SMALL named backpack (not school bags as there is limited storage at Scienceworks).

- Lunch
- Brain food
- Snack
- Named water bottle
- Tecoma Primary hat

We will return to school by 3:15pm, for a 3:30pm dismissal from the Prep classroom.

Letters to your child

As we approach the end of the year, we would like to remind parents who have not done so as yet, to please pop their letter to their child in the big box inside the Prep room. We will be collating these in the coming weeks, so will need all letters to be provided to the school.

Transition week

The Prep students will participate in Grade One transition from Monday 11th November to Thursday 14th November. The Preps will be placed in mixed classes (not set classes nor set teachers for 2020), and will spend some time each day in the Grade One rooms. Transition week allows your children to become familiar with the Grade One spaces, and provides an opportunity for them to engage with students from the other Prep classes. At the end of transition week, your children will be asked to nominate some friends and some children they work well with, that they would like to be placed with for 2020.

Swimming

We are asking parents to please avoid dressing your child in stockings or tights on swimming day! These can be very tricky for your children to get back on after being in the pool.
