Our Learning Intentions...

Literacy	This week in SMART spelling we will be looking at the word 'watch'.
Word and sound of the week (SMART spelling focus)	We will be exploring syllables and modification of texts.
Numeracy	This week we will be looking at the concepts of shapes.
Integrated	Our Integrated topic for this term is transport. This week we will looking at air transport.

Birthdays!

Hayden November 11th
 Amber November 13th
 Millie November 15th

Notices...

Letters to your child

As we approach the end of the year, we would like to remind parents who have not done so as yet, to please pop their letter to their child in the big box inside the Prep room. We will be collating these in the very soon, so will need all letters to be provided to the school, so that your child does not miss out.

Photos needed for our Integrated unit

Over the coming weeks we will be exploring air travel for our Integrated unit of Transport. We would love if the students could bring in any photos of them, their families or Grandparents experiencing air travel!

Transition week

The Prep students will participate in Grade One transition from Monday 11th November to Thursday 14th November. The Preps will be placed in mixed classes (not set classes nor teachers for 2020), and will spend a part of the day in the Grade One rooms. Transition week allows your children to become familiar with the Grade One spaces, and provides an opportunity for them to engage with students from the other Prep classes. At the end of transition week, your children will be asked to nominate some friends that they would like to be placed with for 2020. If you would like to start having conversations with your children about who they work well with, and who they would like to be in a grade with next year, this will assist them to identify who they would like to list.

Upcoming events
