

Dear Families,

We have recently been advised by the Department of Education that as part of our Child Safety requirements, we need to obtain permission from you for your child's teachers to maintain support for children in the event that we transition to flexible and remote learning. As we have only received this directive after the school term has closed, we need to ask you to give your permission to us via SMS.

Please note that if any remote learning is to take place it will not commence until Wednesday 15<sup>th</sup> April. Until then the children need to enjoy a restful and relaxing holiday at home.

If you agree to your child being contacted by their teachers online, via interactive digital technologies, by email or via the school phone, during the period where the school may be providing flexible and remote learning for your child for the purposes of remote learning, please SMS **YES**.

If you do not agree, please SMS **NO**.

Thank you for your understanding and support during these difficult times.

From all of us at Tecoma PS
