

# BUILDING MASTERS

Think you've got what it takes to be Tecoma Primary's Master Builder?

You've got until Friday 1st of May to build a masterpiece of anything!!

You will be judged on the following criteria:

- ❑ **Creativity** - Think outside the box! What have you always wanted to make?
- ❑ **Uniqueness** - Is it original? We don't want a billion of the same thing!
  - ❑ **Structurally Sound** - Will it last a shake down?
  - ❑ **Visually Appealing** - Does it look good?
  - ❑ **Recycled Materials** - Can you recycle parts?

You can work with your siblings, family or independently!

Once it's complete send a photo of you and your work to [stone.nicole.n@edumail.vic.gov.au](mailto:stone.nicole.n@edumail.vic.gov.au) with a short paragraph explaining your wonderful creation!
