Hello Prep Families,

Thank you again for all of your support during what has been a very different term to usual. We are very proud of the Prep children and the resilience they have shown with all of the changes over the last few months. We hope you all have a great holiday!

Pick up

Just a reminder that there will be staggered finishing times this afternoon. If your child usually finishes at 3:20 then they will finish at 2:20 and if they usually finish at 3:30 then they will finish at 2:30.

Reading over the holidays

Wushka will still be available to use over the holidays and will be great to use, if you can, so that children can stick to their reading routines. If they are wanting something else to do, then they can always practise their Golden, Blue or Red words.

Brain food

When school comes back next term, please remember to put your child's brain food in their NAT bag and not in their school bag.

Upcoming events for your calendar

First day of Term Three – Monday July 13th
