

FIRE PREVENTION AND MAINTENANCE POLICY

PURPOSE

To ensure the Tecoma Primary School community understands the school's approach to fire prevention and maintenance of the grounds to help reduce the risks of bushfires occurring at our school.

SCOPE

This policy applies to:

- All students, parents, staff, volunteers and on-site workers at Tecoma Primary School.

POLICY

Tecoma Primary School aims to create a safe and secure environment for all students, staff and the community. The removal of dangerous goods and flammable materials ensures the risk of bushfires occurring at the school is reduced. The school will maintain safe exits through regular monitoring and removal of obstacles.

Implementation

The school will ensure members of school leadership team will:

1. Monitor and arrange for the removal of materials that may be easily ignited e.g., branches overhanging buildings, debris and rubbish around and under buildings including gutters, dry grass and vegetation
2. Monitor building exits to ensure they are kept clear of obstructions
3. Keep a record of when the school has been checked for flammable materials and building exits. (Record – Appendix 1)

POLICY REVIEW AND APPROVAL

<i>This policy has a review cycle of 3-4 years</i>	<i>This policy was approved by School Council on 14th November 2024, and is scheduled for review in September, 2027.</i>
