100 YEARS OF TECOMA RAILWAY STATION AND VILLAGE

I hope you were able to get up to the school on Sunday to be part of the celebrations of the 100 year anniversary of the opening of the Tecoma Railway Station and naming of the township.

We opened our Indigenous Garden and Yarning Circle which has been the culmination of at least two years of work by Environment Leader, Mrs. Deb Langford and her team, and also fundraising from our Parent Network.

The crowd gathered around our Yarning Circle as we had a moving "Welcome to Country" from local Indigenous member Stacie Piper. We then heard about the history of the area from the historian and researcher of the Sherbrooke Foothills Historical Society, Anita Walker, who gave us some information around the origins of the naming of the township and also some history around some of the checkpoints in our history trail that we have created at our school. We also heard from our Local (Peter McIlwain), State (Daniella Di Martino) and Federal (Aaron Violi) politicians before we officially declared the Yarning Circle and Indigenous Garden open.

We then headed up to the front area of the school where we officially opened our history trail. We are very proud of what the Student History Leaders have done in creating what I believe will be the first stage of many checkpoints around our school.

Thanks to the generous donations of the Bendigo Bank and also the McKenzie family who have a long history with our school, we are able to start to preserve the long 124 year history of our school in a history trail format.

Local community groups had displays of what they do in our area. We also had pictorial history on display thanks to the Sherbrooke Foothills Historical Society.

A special thank you to the organising committee headed by Chuck Page and Kym Cinel for organising the event.

REPORTS

On Friday, 13th December, student reports will go 'live' on COMPASS. The Prep-2 children will bring home a reflection sheet whereas this is embedded in the report for Grade 3-6.

The Mathematics and English components of the reports will be based on teachers making judgments of student progress using the Victorian Curriculum in Mathematics and English based on a range of assessment approaches. Your child's teacher has reported against the relevant curriculum area achievement standards based on assessments undertaken and evidence collected.

All reports will contain a comment on what they have achieved in literacy and numeracy, a comment on other curriculum areas, comments from specialist areas, a general comment and show your child's progression on a five-point scale for all subject areas.

We acknowledge that growth in learning looks different for each child. There are times in their schooling when your child may make more than 12 months of learning growth in any one year, whilst at other times they may make 6 months of learning growth for the same period or even plateau. Any concerns or questions you have about your child's learning should be emailed to your child's classroom teacher.

Thank you again for the ongoing support that you have provided your child and the teachers this semester.

CHRISTMAS CAROLS PICNIC

Just a reminder that we will have our Christmas Carols Night on the oval tonight with carols commencing at 6:00pm. This concert each year is always a happy occasion, where we get together as a whole school community to share in the children's success, have a break after a very busy year, and hopefully see a friend or two who we haven't caught up with for a while.

Parents are invited to bring along picnic rugs, chairs and their picnic tea and drinks for a 5:00pm tea. Food vans and a sausage sizzle will also be available.

A reminder that smoking and the consumption of alcohol on the school property is against the law and therefore not permitted.

At 6:00pm, we will commence our Christmas Carols evening here at the school. This will be a very low key evening where we can all get together, enjoy each others company and sing along to our favourite Christmas Carols. There will be strictly “no choreography,” just a nice sing-a-long to celebrate the end of another huge year. We would love to see you all here. Grandparents and extended family are very welcome as always.

ACKNOWLEDGING PARENTAL SUPPORT

On Monday, December 9, the staff have organised a morning tea to say thank you to all of our parent helpers for 2024. We wish to acknowledge their ongoing efforts to support the school in so many ways. As a school we appreciate and understand the importance of having a supportive parent group, which is a hallmark of the most successful schools. Some of the ways that our parents have helped in 2024 include; the fantastic support we get in supporting classroom learning, attending excursions and camps, fundraising, working on the floral carpet and 100 years of Tecoma celebrations, attending working bees and just generally being on hand to lend a hand. It's really appreciated and supports our school to deliver high standards of learning and lots of fun for all! If it's your final year at Tecoma Primary, we hope you leave knowing you have been able to make a difference for all children at the school through your generous support!

SCHOOL COUNCIL – THANK YOU

While we are handing out thank you's, our final School Council meeting for 2024 will be held next Tuesday night.

I would like to express my sincere thanks to our School Council members for their commitment to our school.

The time and effort dedicated to this role often goes unrecognised and whilst rewarding, can also be challenging. At Tecoma, we are fortunate to have an outstanding group of people led superbly by our School Council President, Mrs. Lisa Dell.

Each of our Councillors has performed a very important role to support our School purpose and in doing so has made an extremely valuable contribution to the educational outcomes of each of our students.

The broad scope of work by School Council this year has included:

- communicating the broad direction and vision of the school within our community
- approving the annual budget and monitoring expenditure
- acquiring feedback from the school community to inform decision making
- developing, reviewing and updating school policies
- overseeing the maintenance of the school's grounds and facilities
- reporting annually to the school community and to the DET
- creating interest in our school in the wider community
- enhancing communication within our school community
- overseeing the running of Out of School Hours Care
- working through policies and ensuring we are strictly adhering to its principles

Thank you to our 2024 School Councillors:

Lisa Dell, Kym Cinel, Kelly Sullivan, Dave Bushell, Travis Cochrane, Kimmy Taylor, Tara Walton, Di Double, Lisa Hoskins-Faul, Deb Langford, and minute taker, Karin Hartnell.

Looking forward to 2025, I ask all parents to consider how they are contributing to the Tecoma Community? Maybe membership of the 2025 School Council is a role that you would like to take on? Watch out early next year as the election process begins!

SECONDARY SCHOOL ORIENTATION DAY / TRANSITION DAY 10th DECEMBER

END OF GRADE 6 ASSEMBLY

The final assembly will be on Thursday December 19 at 2:45pm on the School Oval.

This will be the final farewell for the graduating class of 2024. The Grade 6 children will have had their graduation the night before and we will be able to announce all of the award winners to the rest of our school community. We will also be able to have the traditional buddy song.
